

SUSSEX COUNTY ASA WATER POLO
SOUTH EAST/LONDON REGION INTER COUNTY
TOURNAMENT 2011
UNDER 19 BOYS MATCH REPORT

Basingstoke Aquadrome – Saturday March 26

Sussex were one of only 4 counties to raise a team for this event. We took a talented but small squad of only 8 players. Despite having a first seven that was the equal of any of the other teams present – we took the lead in every game – our lack of numbers on the bench compared with the other counties present put us at too much of a disadvantage.

We lost our opening game to Middlesex 2-7 and our second match to eventual winners, Hampshire 5-9. Our final match was against Kent. Our superior skill and teamwork put us into a 5-2 lead before fatigue set in again. However, the players dug into their reserves and showed great determination to hold on to win 7-6.

We therefore finished 3rd overall and our players can take great credit for their performances.

Squad as follows:

Wesley Connellan GK (Mid Sussex)
Joe Callus (Crawley)
Simon Flint (Crawley)
